- Windows Timer Resolution

The screenshot shows the ComilIDE software interface. At the top, there are tabs for 'Setup', 'Main', 'View', 'Motion Control I', 'Motion Control II', and 'IO'. Below these tabs is a toolbar with icons for 'Scan', 'Save', 'Load', 'Update', 'Shell', 'Install', 'DLLs', and 'PCM'. The 'Shell' icon, which is a blue square with a white terminal prompt symbol '> _', is highlighted with a red rectangular box. A tooltip below the 'Shell' icon reads 'Shell : Control on terminal'. Below the toolbar, the text 'ComilIDE Main tab Shell' is displayed.
